

UNIVERSITY OF OXFORD

CHRISTOPHER WELCH SCHOLARSHIP

IN BIOLOGICAL SCIENCES

Applications are invited for a scholarship for postgraduate research in Biology, tenable at the University from the beginning of Michaelmas Term 2011.

Christopher Welch scholarships, at present, offer a maintenance grant of £13.5K but this will be kept under review. They include payment of fees at the rate for “Home/EU” students.

The Scholarships are awarded for 3.5 years with renewal point at year 2 only, with no further renewal for the final 6 months necessary.

The Board of Management has the power to suspend a scholarship held by a medical student for a period of not more than three years, or in special cases four years, in order to enable the holder to devote himself/herself to clinical training without forfeiting his/her scholarship.

Candidates applying to a Programme of Study in the Medical Sciences Division who wish to be considered for the Christopher Welch Scholarship must submit their applications for the Christopher Welch Scholarship to the *Director of Graduate Studies in the department in which they are hoping to work* by Friday 7 January 2011.

All other candidates must submit their applications for the Christopher Welch Scholarship to the *Director of Graduate Studies in the department in which they are hoping to work* by Friday 21 January 2011.

Separate applications for admission to study in the University must be submitted to the University by 7 January 2011 for Medical Sciences candidates and 21 January 2011 for all other candidates. The University’s Graduate Studies Prospectus and details of how to apply are available at <http://www.admin.ox.ac.uk/postgraduate/>

[Candidates for a Christopher Welch Scholarship must have applied to the University for admission for postgraduate study, normally in one of the following departments: Biochemistry; Experimental Psychology; Physiology, Anatomy and Genetics (DPAG); the Dunn School of Pathology; Plant Sciences; Pharmacology or Zoology or in one of the Clinical Departments in the Medical Sciences Division]

Applications received from Medical Sciences candidates after Friday 7 January 2011 and from all other candidates after Friday 21 January 2011 cannot be considered for the Christopher Welch Scholarship.

No person may be awarded a scholarship a second time.

The application form is available from Tessa Finlayson, Graduate Studies Project Officer, Medical Sciences Division – email Tessa.Finlayson@medsci.ox.ac.uk
